

HAKKIPILKE®

Falcon 35

In its category, the Falcon 35 boasts the fastest splitting on the market by far, and the one-hand control lever makes the machine very easy to use.

Thanks to the hydraulic saw and conveyors, the machine has no V-belts. Safety and comfort are ensured by the single-piece safety cover. The adjustable hydraulic chain oil lubrication pump ensures the long service life of the chain and bar. The lubrication pump gets its oil from a separate canister, which can be replaced quickly, without making a mess. The machine's open lower structure enables easy cleaning and the integrated tool box ensures that important equipment is always at hand. Thanks to our wide range of accessories, you can easily customize the machine to your liking.

- **FASTEST SPLITTING CYCLE IN ITS CATEGORY**
- **ONE-HAND CONTROL LEVER**
- **FAST HYDRAULIC FUNCTIONS - NO V-BELTS**
- **CUTTING CHAIN LUBRICATION WITH AN ADJUSTABLE PUMP**

Hydraulic hoses can be connected to the machine easily with quick couplers available as an accessory.

Effective hydraulic saw.

The cleaning outfeed conveyor separates debris, which results in cleaner firewood.

Convenient tool box as standard.

The ergonomic and easy-to-use control panel makes the machine easy to operate.
